PROFESSIONAL EXPERIENCE

Zip Code Wilmington - Wilmington, DE   **10/2021 - 1/2022**
Software Developer

Admitted in Zip Code Wilmington's highly-competitive software development program which accepts less than 12% of applicants; achieved over 1000 hours of software development projects and training in an immersive training program using Agile and Scrum methodologies and principles; gained experience in full-stack development with a focus on Java, test-driven development, and object-oriented programming.

Projects:
- **Casino App:** Collaborated in a group of 3 members to create a text-based casino with three games, Blackjack, Go-Fish, and Roulette built with Java in IntelliJ IDEA. Personally responsible for unit tests and main game engine for Blackjack and related Deck package. [https://github.com/TheCamCasino/casino.maven.git]
- **Find Me a Board Game:** Independently developing a web application to help users find a board game(s) based on their interests using Angular, Java, Spring, and MySQL. Also utilizing an open-source API to access names, ratings, playtime, difficulty, and other relevant information from BoardGameGeek for filtering game search. [https://github.com/AmandaJ-Huang/PassionProject]

Lannett Company, Inc. - Philadelphia, PA   **5/2018 - 9/2021**
Internal Auditor   *(9/2019 - 9/2021)*
- Streamlined day-to-day processes and enhanced documentation requests by collaborating with the internal audit team on implementing Wdesk, an audit solution software.
- Worked under tight deadlines to test on average of 22 internal controls per quarter, exceeding the goal by 10%.

Chargeback Coordinator   *(12/2018 - 8/2019)*
- Assisted iContracts Business Analyst with User Access Testing (UAT), updates, and software module issues.
- Effectively maintained modules within iContracts, resolving mismatched ID errors and performing set-ups.

Accounts Receivable Associate   *(5/2018 - 12/2018)*
- Processed $18M of commercial rebates and compiled sales reports notably ahead of due dates, resulting in positive customer feedback.
- Successfully recovered $125,000 in erroneous deductions by investigating and disputing the charges.

EDUCATION

Rutgers University Business School - Newark & New Brunswick, NJ
Master of Accountancy in Financial Accounting   **1/2018**
Bachelor of Science in Accounting   **10/2016**
